PROFESSIONAL SUMMARY

Aspiring operations and business professional with MBA training and hands-on experience in process execution, business operations, inventory planning, service delivery, and cross-functional coordination. Data-driven and execution-focused, with a track record of improving operational efficiency, maintaining service reliability, supporting revenue performance, and solving day-to-day business challenges in fast-paced environments.

EDUCATION

Master of Business Administration, University of California, Riverside

Sep 2025 - June 2027

- **Honors:** UCR Merit-Based Stipend Award
- **Leadership:** Co-Lead, Professional Development Team, AGSM Student Association, Vice President of Google Developer Group at UCR

BS Computer Science, University of California, Riverside

Sep 2021 - June 2025

- **Honors:** Dean's List: Recognized for Academic Excellence

RELEVANT EXPERIENCE

General Manager | Indian Oil Corporation Ltd. (IOCL) Retail Outlet

Jul 2023 - Present

- Directed day-to-day fuel station operations including duty scheduling, inventory ordering, tanker unloading supervision, and underground tank reconciliation to ensure accurate stock flow and reduce operational risk.
- Managed daily financial reconciliation across cash, credit, and digital payments totaling over \$5,000 per day by verifying revenue against sales volume and inventory movement to maintain financial accuracy and loss control.
- Conducted demand forecasting and sales trend analysis around high-traffic periods such as holidays and local events to improve inventory readiness and prevent stock shortages.
- Improved operational efficiency and customer service quality by identifying service gaps, streamlining on-site support, and introducing process improvements to strengthen outlet performance.
- Supported business growth initiatives through selective promotional execution, including a bundled engine oil campaign that cleared approximately 85% of slow-moving inventory.

Resident Advisor | Residential Education at University of California, Riverside

Sept 2024 - Jul 2025

- Managed operations and resident experience for a 60+ student community, coordinating with housing, facilities, and safety teams to resolve issues efficiently and maintain service quality.
- Led on-call duty operations by documenting incident reports, coordinating emergency response, and enforcing housing policies to support safety, compliance, and community standards.
- Planned and executed 20+ student engagement initiatives using structured outreach, scheduling, and follow-up processes, increasing participation by approximately 25%.
- Collected and reviewed quarterly student feedback to identify needs, improve programming decisions, and strengthen community satisfaction and retention.

Strategic Project Intern | Hero Motocorp

Jun 2024 - Aug 2024

- Supported field operations and sales execution by coordinating launch activities, event logistics, and promotional rollouts across dealership and community touchpoints.
- Helped improve conversion and service processes through door-to-door outreach, exchange mela coordination, and instant trade-in valuation support.
- Assisted pricing and promotional execution by aligning company discounts with dealership-level offers, enabling price reductions of 15%+ to improve sales volume during low-demand periods.
- Strengthened service operations by ensuring accurate job card documentation, proper policy benefit application, and reliable customer service workflows.
